Honor&Patent

HST-2500 PVB sheet production line

1.HST-2500 PVB sheet production line

2. SHJ95/40 high torque co twin screw extruder

3.Left and right color distributor

4.Left and right color distributor

5.Hydraulic fast changing device

6. Melt pump

Thank you for your reading, looking forward to your visit.

HST-2500 PVB sheet production line

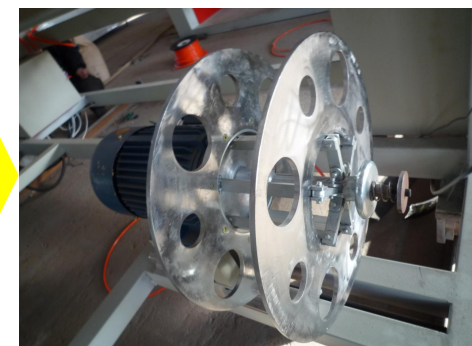

7.HST 2800 die internal compound die head

8.HST 2800 die internal compound die head

9. HST 2700 type three-roll calenderr

10.HST independent temperature control device type (water temperature)

11.HST 2500 sheet slow cooling device

12.HST trimming device

13.HST trimming device

14.HST trimming device

Thank you for your reading, looking forward to your visit.

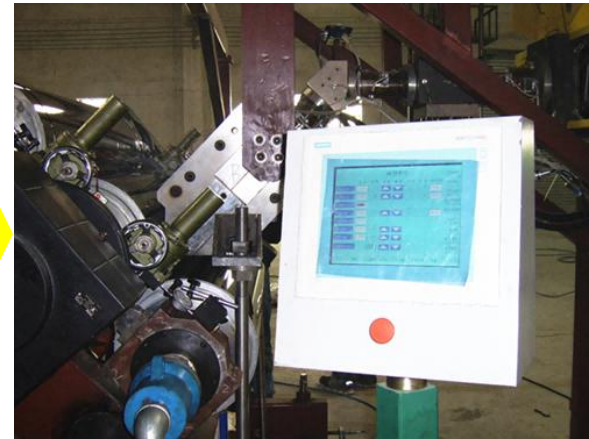

HST-2500 PVB sheet production line

15.HST 2600 sheet traction device

16. HST 2600 winding device

17.The PLC computer control

Whole production line:

- 1. HST95/40 Parallel Twin Screw Extruder 1set
- 2. HST52/44 Parallel Twin Screw Extruder 1set
- 3. Left and right color distributor 1set
- 4. Hydraulic fast changing device 2sets
- 5. Melt pump 2sets
- 6. HST 2500 die internal compound die head 1set
- 7. HST 2700 type three-roll calender 1 set

8. HST independent temperature control device type (water temperature) 3 sets

- 9. Drying unit 1set
- 10. HST 2600 sheet slow cooling device 1set
- 11. HST trimming device 1set
- 12. HST 2600 sheet traction device 1set
- 13. HST 2600 winding device 1set
- 14. Thickness gauge unit 1set
- 15. The PLC computer control

Thank you for your reading, looking forward to your visit.

Advantage

- 17 years' export experience
- No defective return
- 0 defect
- Create win-win
- Mature technique

Sincerely Cooperation

Customer's satisfaction

Delivery in time

Swift Logistic

Higher Quality
